Office of the Director of Civil Supplies
in Mysore,

Bangalore City, Dated, 15th Sept. 1919.

My dear Balasundaram Iyer,

In Government Notification No. G.5294/P.P.26-19-22 of the 2nd instant, it has been ordered that the word "licenses" be substituted for the words "priority certificates" occuring in Government Notification No. G.17591 of the 17th February 1919. I am afraid I did not make myself quite clear in my letter No.4044 of the 28th ultimo, when I requested a modification of the notification of the 17th February. "Licenses" cannot entirely be substituted for "priority certificates" as controlled foodstuffs required by another province will still move on such certificates. What is wanted is that in cases where priority certificates cannot be issued , licenses should be issued. I have in anticipation of the approval of Government written to the railway authorities that the export of controlled articles from stations within the Mysore State (a) to stations outside the State, (b) to stations beyond (1) Holalkere on the Bangalore-Poona line, (b) ~~xxxxxxxxx~~ Dodkurugod on the Bangalore-Guntakal line (3) Bowringpet on the Bangalore-Madras line and (c) to stations on the Kolar Gold Field Railway should be allowed only on priority certificates issued or countersigned by me, or on licenses issued by me. A copy of my letter is enclosed, which will I trust make the situation clear.

I therefore request that a revised notification as explained above may be kindly issued.

Yours sincerely,

MPH.

Letter No.5256-60 dated the 13th September 1919 from the Director of Civil Supplies in Mysore, Bangalore, to the General Traffic Manager, M. & S. M. Railway, Madras, to the Deputy Traffic Manager, M. and S. M. Railway Dharwar, The District Traffic Superintendents, M. and S. M. Railway, Madras and Bangalore and the Traffic Manager, Mysore Railways, Mysore.

In continuation of my memo No.7302-05 of the 17th February 1919, intimating to you the necessity for obtaining priority certificates by parties desirous of transporting controlled foodstuffs beyond certain limits, I have the honour to state that as priority certificates will as a rule be issued by the Directors of importing provinces and as certificates cannot be issued in future for certain controlled foodstuffs such as chillies etc., (vide Controller of Traffic's No.64/C.T.19 dated 18th August 1919) the procedure in future in respect of export of such articles will be that licenses will be issued by me in cases where priority certificates cannot be issued (vide Notification of the Mysore Government No. G.5294/P.P.26-19-22 dated 2nd September 1919). The transport of all controlled articles (including rice, paddy, ragi, jola, navane, horsegram, green gram, black gram, tuvar dal, chillies, wheat, Bengal gram, fodder and grass, boiled rice, beaten rice, popped rice and fuel) from stations within the Mysore State to (a) stations outside the State, (b) to stations beyond (1) Holalkere on the Bangalore-Poona line, (2) Dodkurugod on the Bangalore-Guntakal line (3) Bowringpet on the Bangalore-Madras line and (c) to stations on the Kolar Gold Field Railway should be allowed only on priority certificates issued or countersigned by me, or on licenses issued by me. Licenses will be issued by me in a printed form bearing the seal of this office. Copies of such licenses will be forwarded to the station masters concerned. These licenses will not entitle the holder to obtain priority in the matter of waggons, but will only be of the nature of a permit to allow the export or transport as the case may be
